Valor Inspire Range

The Inspire Collection is exclusively available only through the **Valor Centre network** and only to approved retailers. The collection offers a choice of **five** high quality gas fires which all bring a touch of luxury into customer's living rooms. Customers can choose from **Inspire 400, 500, 600, 800 and 1000 models**, each with a wide range of design options, innovations, performance features and easy installation and servicing.

The 500, 600 800 and 1000 models are each available with a choice of liners, logs and trim effect. Available with two fuel beds, five ceramic back liners and two trim designs, each in a choice of four colours.

The 500, 600 and 800 models also come with a choice of two suites for each model. Inspire gas fires from Valor can even be purchased with a frameless kit which requires no trim.

The 400 is the first inset model in the Inspire range, offering a choice of three back liners, two trims each available in three sided or four sided designs as well as a choice of three luxurious suites.

For the ultimate in convenience all fires in the Inspire collection also come with Valor's unique Fireslide control, a first of its kind for premium gas fires. Plus the 500, 600, 800 and 1000 models are also support the option for an advanced remote control which offer a wider host of features.
